

# IMPORTANT NOTICE

Dear Taxpayer

As part of our duties under NH law, RSA 21-J:11 and 21-J:11-a, the New Hampshire Department of Revenue Administration (DRA) randomly selected this property as part of a quality control review of current assessment and/or revaluation data in Windsor.

A DRA Monitor will visit your property between **2/25/2014** and **3/25/2014** to verify the physical data listed on the property record card collected by the assessor. If there is no objection, the DRA will measure the exterior of your structure(s) if no one is home. Interior data will be verified only if you are home during the visit. If you object to the exterior review, please call (603) 230-5977 by **2/21/2014**, as failure to reply to this notice constitutes visit permission. All DRA Monitors drive State of NH/DRA marked vehicles and have picture ID's at all times. Thank you for your cooperation and assistance.

Printed on 2/19/2014 at 10:00 AM. If you have any questions, please call (603) 230-5977.
